The screenshot displays the Microsoft Azure website's landing page for creating a free account. The header includes the Microsoft Azure logo and navigation links: Overview, Solutions, Products, Documentation, Pricing, Training, Marketplace, Partners, Support, Blog, and More. The main heading reads "Create your Azure free account today" with the subtext "Get started with 12 months of free services". A prominent green "Start free" button is visible, along with a "Or buy now" link. A callout box provides instructions: "Create your Azure free account today. Visit <https://azure.microsoft.com/en-us/free/> and click on Start free." Below this, a preview of the Azure portal interface is shown, featuring a sidebar with navigation icons, a "Recent resources" table, and a "Navigate" section. The "Recent resources" table lists various Azure services and their last accessed dates. The "Navigate" section includes links to Azure portal, Azure CLI, Azure PowerShell, and Azure DevOps. At the bottom of the preview, a "Tools" section lists various Azure tools and SDKs.

Congratulation! free trial has started.

The screenshot displays the Microsoft Azure Quickstart Center interface. The top navigation bar includes the Microsoft Azure logo, a search bar, and user account information. The main content area is divided into several sections:

- Get started:** Includes a link to "Take an online course".
- Setup guides:** A section with the text "Our guides walk you through deployment scenarios to help you set up, manage, and secure your Azure environment." Below this are three cards:
 - Azure setup guide:** "Step-by-step guidance to help admins plan, set up, and secure Azure for your organization." (Open >)
 - Azure migration guide:** "Step-by-step guidance to help assess your current environment, prepare for migration, and make the shift to Azure." (Open >)
 - Azure innovation guide:** "Step-by-step guidance to help build innovative solutions leveraging Azure platform capabilities." (Open >)
- Start a project:** A section with the text "Choose from the popular services below to create your first resource and launch your project. Otherwise, see All services." Below this are four cards:
 - Create a web app:** "Build and deploy web apps that can scale." (Start >)
 - Deploy a virtual machine:** "Run your workloads in the cloud and reduce the redundancy and maintenance of physical hardware." (Start >)
 - Set up a database:** "Explore options for managing relational or nonrelational databases in the cloud." (Start >)
 - Start a data analytics project:** "Put machine learning and artificial intelligence to work on your apps." (Start >)

A notification banner in the top right corner states: "Congratulations! free trial has started." Below it, a "Notifications" panel shows a message: "¥13,300.00 credit remaining. Subscription 'Free Trial' has a remaining credit of ¥13,300.00. Click here to upgrade to a Pay-As-You-Go subscription." (Dismiss all >)
